

DIRECTIONS TO THE CHERRY FEAST

By Car

Take the A388 from Callington towards Saltash or from Saltash towards Callington (or the number ... Bus) to St Mellion village, which is roughly half way between the above towns.

There is a roundabout at each end of St Mellion village and those coming by car from Callington should proceed through the village to the roundabout on the Saltash side of the village and then turn round the roundabout to enter from the Saltash end.

Coming from Saltash about 100 yards past the roundabout is a turning to the left sign says The Glebe. Follow this through a small housing estate to a gate into the Glebe field where cars may be parked. There is then a signposted pedestrian access at the far end of the field to the Cherry Feast site.

DISABLED PARKING (Blue Badge Required)

This is also available either in the St Mellion School playground or at St Mellion Club car park with transport then provided to the Cherry Feast Site. The parks are signposted.

By Bus or Walking

Turn into the restricted access road opposite the "Coryton Arms" Pub and access is either through the school playground or past the church and into the lane leading to the School Playing Field where the Cherry Feast is held
