Class 95. Calligraphy

Trees

*I think that I shall never see
A poem lovely as a tree.
A tree whose hungry mouth is prest
Against the earth's sweet flowing breast;
A tree that looks at God all day,
And lifts her leafy arms to pray;
A tree that may in summer wear
A nest of robins in her hair;
Upon whose bosom snow has lain;
Who intimately lives with rain.
Poems are made by fools like me,
But only God can make a tree.*

Joyce Kilmer

Class 97. Handwriting - 7 years and under

Happiness

*John had great big waterproof boots on;
John had a great big waterproof hat;
John had a great big waterproof mackintosh.
And that (said John) is that.*

A.A.Milne

Class 98. Handwriting - 8 to 14 years

The Rainbow

*Boats sail on the rivers,
And ships sail on the seas;
But clouds that sail across the sky
Are prettier far than these.
There are bridges on the rivers,
As pretty as you please;
But the bow that bridges heaven,
And overtops the trees,
And builds a road from earth to sky,
Is prettier far than these.*

DUNDEE CAKE

<i>175g / 6oz plain flour</i>	<i>225g/8oz currants</i>
<i>150g / 5oz self-raising flour</i>	<i>225g /8oz raisins</i>
<i>Pinch of salt</i>	<i>225g / 8oz sultanas</i>
<i>225g / 8oz block margarine</i>	<i>175g /6oz chopped mixed peel</i>
<i>225g / 8oz caster sugar</i>	<i>100g /4oz small glacé cherries</i>
<i>4 large eggs</i>	<i>Grated rind of ½ lemon</i>
	<i>75g /3oz blanched almonds</i>

Makes 20cm / 8in round cake

150°C / 300°F / gas 2 - 3½ - 4 hours

Method

1. Line and grease a 20cm (8in) round cake tin. Tie a band of brown paper around the outside of the tin and let it extend about 5cm / 2in above the rim. Set the tin on a double piece of brown paper on a baking tray.
2. Sift both types of flour and salt. Cream the margarine with the sugar until light and fluffy.
3. Beat in the eggs, a little at a time. Fold in the flour.
4. Fold in the sultanas, raisins, currants, peel, cherries and lemon rind. Chop 25g / 1oz of the almonds and add to the mixture.
5. Spoon mixture into the tin.
6. Split the rest of the almonds lengthways and arrange them rounded side up on the cake.
7. Bake in a pre-heated oven at 150°C / 300°F / mark 2 for 3½ -4 hours.
8. To check if cake is cooked, insert a metal skewer into the centre. If there is any sticky mixture on the skewer, return the cake to the oven and check after a further 5 minutes.
9. Cool in the tin for 30minutes, before turning out on to a wire rack.
10. Wrap the cake in greaseproof paper and clingfilm. Keep for at least 1 week up to 1 month.
